🌸 Die Cut Tissue Paper and Tissue Confetti

You can originate your own favorite shape to make it look special

🌸 Tissue Pom Pom

17gsm tissue paper, 8 to 12 sheets/pom pom, diameter from about 4 inches to 18 inches.

How to Make it

Begin by unwrapping each of your pom poms, being sure to leave the white ribbon tied around the center of each. Then it's a simple process of pulling apart the layers of tissue, working from one side to the other. Once all the layers are separated, give them a good fluffing with your finger tips to get the pom poms look nice and full and symmetrical.

🌸 Tissue Squares and Tissue Circles

10 colors assorted squares and circles, 10cm, 12.5cm, 15cm etc
